# Safety Instruction Guide for TRIEBEL Seaterheads

## Introduction

Thank you for choosing the TRIEBEL Seaterhead Caliber 10,36/.408 Type: R120. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this guide carefully before using the Seaterhead.

## General Safety Guidelines

- Ensure the product is suitable for your specific needs and uses.
- Always follow the manufacturer's instructions for safe operation.
- Be aware of potential hazards associated with the use of this product.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose.
- Regularly check for any signs of wear or damage before use.
- In case of any product malfunction, discontinue use immediately and seek professional assistance.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the Seaterhead.
- Ensure that the work area is clean, welllit, and free of distractions.
- Do not modify the Seaterhead or use it in a manner not specified by the manufacturer.
- Handle the Seaterhead with care to avoid injury or damage.
- Be cautious of sharp edges and points during handling and operation.
- Always keep fingers and other body parts away from moving parts during use.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the work surface is stable and secure.
- Attach the Seaterhead to the appropriate equipment as per the manufacturer's guidelines.
- Verify that all connections are secure before operation.

### 2. Usage:

- Follow the specific instructions provided in the manual for operating the Seaterhead.
- Do not exceed the recommended diameter or specifications for the Seaterhead.
- Monitor the operation closely for any unusual noises or movements.
- If the Seaterhead becomes jammed or stuck, turn off the equipment and safely clear the obstruction.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and mechanical waste.
- Do not dispose of the product in household waste.
- Consider recycling options if available in your area.

## Contact Information for Further Support

For safety inquiries and further assistance, please refer to the contact information provided with your product

packaging or visit the manufacturer's website.

## **Conclusion**

Following these safety instructions will help ensure the safe and effective use of your TRIEBEL Seaterhead. If you have any questions or concerns, please do not hesitate to seek further information. Thank you for your attention to safety.
