# TRIEBEL Seaterheads Safety Instruction Guide

## Introduction

Thank you for choosing the TRIEBEL Seaterhead Caliber 10,36/.408 Type: R135. This product is an accessory for use with crimp and benchrest seaters from Triebel. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide. This document complies with the EU General Product Safety Regulation (GPSR) to guarantee your safety and satisfaction.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the manual.
- Always handle the product with care to avoid accidents or injuries.
- Regularly inspect the product for any signs of damage or wear. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use only with compatible crimp and benchrest seaters as specified by the manufacturer.
- Do not exceed the recommended specifications for the product, including the maximum diameter and caliber.
- Always wear appropriate safety gear, such as eye protection, when using the product.
- Ensure that the workspace is clean and free from obstructions before use.
- Be aware of your surroundings and ensure that no one is in the vicinity of the operation area.
- Follow the manufacturer's guidelines for maintenance and storage of the product.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the seater and the TRIEBEL Seaterhead are compatible.
- Clean the mounting area on the seater to ensure a secure fit.
- Align the Seaterhead with the mounting point on the seater.
- Securely attach the Seaterhead according to the manufacturer's instructions, ensuring it is fastened tightly but avoiding overtightening.

### 2. Usage:

- Before using, doublecheck that all components are correctly assembled and secure.
- Load the appropriate caliber and ensure it is seated properly in the Seaterhead.
- Operate the seater slowly and carefully, maintaining control at all times.
- After use, clean the Seaterhead to remove any debris or residue to maintain its functionality.

## Disposal Instructions

- Dispose of the TRIEBEL Seaterhead in accordance with local regulations for hazardous materials.
- Do not throw the product in regular household waste.
- If the product is damaged beyond repair, consult local recycling facilities for proper disposal options.

## **Contact Information for Further Support**

For any questions or concerns regarding the TRIEBEL Seaterhead, please refer to the manufacturer's website or contact their customer support for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your TRIEBEL Seaterhead. Thank you for your attention to these important safety guidelines.
