TRIEBEL SEATERHEADS Safety Instruction Guide

Introduction

Thank you for choosing the TRIEBEL Seaterhead Caliber 10,36/.408 Type: R235. This product is designed as an accessory for seating with crimp and benchrest seaters from Triebel. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Inspect the product for any visible damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Store the product in a dry and secure location when not in use.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the diameter of the Seaterhead is compatible with your equipment (Diameter: 0.408 inches).
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling the Seaterhead.
- Avoid using the product if you are under the influence of drugs or alcohol.
- Do not modify the product in any way, as this may compromise safety.
- Always follow the recommended procedures for installation and usage as outlined in this guide.

Instructions for Installation and Usage

1. Installation

- Ensure that your work area is clean and welllit.
- Gather all necessary tools and equipment before starting the installation.
- Follow the manufacturer's manual for specific installation instructions related to your crimp and benchrest seaters.
- Securely attach the Seaterhead to the seating device, ensuring it is fitted correctly.

2. Usage

- Before using the Seaterhead, doublecheck that it is properly installed and secured.
- Adjust the settings on your seating device according to the specifications for the caliber you are using.
- Use the Seaterhead only for its intended purpose. Do not exceed recommended pressure limits.
- Monitor the Seaterhead during use for any signs of wear or malfunction. If any issues arise, stop using immediately and inspect the product.
- After use, clean the Seaterhead according to the manufacturer's instructions to maintain its condition.

Disposal Instructions

- Dispose of the product in accordance with local regulations for hazardous waste.
- Do not dispose of the product in regular household waste.
- If the product is damaged beyond repair, contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the TRIEBEL Seaterhead, please consult the manufacturer's manual or reach out to the designated EU contact point for safety inquiries.

Thank you for your attention to these safety guidelines. Your safe use of the TRIEBEL Seaterhead is our priority.
