# TRIEBEL Seaterhead Safety Instruction Guide

## Introduction

Thank you for choosing the TRIEBEL Seaterhead Caliber 12,9/.500 Type: R270. This accessory is designed for use with crimp and benchrest seaters from Triebel. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always follow the manufacturer's instructions for use and maintenance.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for signs of wear or damage.
- Do not attempt to modify or repair the product unless instructed by a professional.
- In case of any doubts regarding the safety of the product, consult the manual or contact a professional.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the Seaterhead.
- Ensure that the work area is clean and free from hazards.
- Use the product in a wellventilated area to avoid inhalation of any harmful substances.
- Avoid using the Seaterhead near flammable materials.
- Be aware of your surroundings and ensure that no one is in close proximity while using the product.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the work surface is stable and secure.
- Attach the Seaterhead to the compatible seater according to the manufacturer's instructions.
- Verify that all connections are secure before use.

### 2. Usage:

- Before starting, ensure that you have read the manual thoroughly.
- Load the materials as per the instructions provided in the manual.
- Operate the Seaterhead with steady and controlled movements.
- If you encounter resistance or difficulty, stop and inspect the setup before proceeding.
- After use, clean the Seaterhead to maintain its condition.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- If applicable, recycle materials where possible.

## Contact Information for Further Support

For any safety inquiries or to report unsafe products, please contact the appropriate EUbased contact point.

## Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your TRIEBEL Seaterhead. Always prioritize safety and consult the manual for any specific concerns. Thank you for your attention to these guidelines.
