TRIEBEL Seaterhead Safety Instruction Guide

Introduction

Thank you for choosing the TRIEBEL Seaterhead Caliber 5.6/.223 Type: R50. This product is designed to enhance your reloading experience, providing precision and reliability. To ensure safe use and optimal performance, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always handle the Seaterhead with care and follow all safety instructions.
- Ensure the product is used only for its intended purpose.
- Keep the Seaterhead out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe conditions or incidents to the relevant authorities immediately.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the Seaterhead only with compatible crimp and benchrest seaters from Triebel.
- Ensure that the diameter (in): 0.223 is suitable for your specific reloading needs.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses when operating the Seaterhead.
- Avoid using the Seaterhead if you are under the influence of drugs or alcohol.
- Do not modify the Seaterhead in any way, as this may compromise safety and performance.
- Be aware of your surroundings and ensure that there are no obstructions or hazards when using the Seaterhead.

Instructions for Installation and Usage

1. Installation:

- Ensure that the Seaterhead is compatible with your reloading equipment.
- Clean the installation area to remove any debris or contaminants.
- Securely attach the Seaterhead to the appropriate reloading tool according to the manufacturer's guidelines.
- Confirm that all connections are tight and secure before proceeding to use.

2. Usage:

- Set up your reloading workspace in a wellventilated area.
- Follow the reloading manual specific to your equipment for load specifications.
- Carefully insert the cartridge case into the Seaterhead.
- Gradually apply pressure to the handle, ensuring a smooth and controlled operation.
- After use, remove the cartridge case and inspect for any irregularities.

Disposal Instructions

- Dispose of the Seaterhead and any associated materials in accordance with local regulations.
- Do not dispose of the Seaterhead in regular household waste.
- Check with local waste management facilities for proper disposal methods for metal and plastic components.

Contact Information for Further Support

For any questions, concerns, or safety inquiries regarding the TRIEBEL Seaterhead, please refer to the product manual or consult with your retailer.

Thank you for prioritizing safety while using the TRIEBEL Seaterhead. Your adherence to these guidelines helps ensure a safe and enjoyable reloading experience.
