Safety Instruction Guide for TRIEBEL Seaterhead Caliber 5,6/.223 Type: R70

Introduction

Thank you for choosing the TRIEBEL Seaterhead. This accessory is designed for use with Crimp and BenchRestSeaters from Triebel. It is essential to understand the safety guidelines and proper usage instructions to ensure your safety and the effectiveness of the product.

General Safety Guidelines

- Ensure that you read and understand all instructions before using the product.
- Always use the product in accordance with the manufacturer's recommendations.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any wear or damage to the product before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the TRIEBEL Seaterhead only with compatible Crimp and BenchRestSeaters.
- Do not exceed the recommended caliber specifications when using the product.
- Always wear appropriate safety gear, including eye protection, when using the product.
- Avoid using the product in wet or damp conditions to prevent electrical hazards.
- Ensure that your work area is clean and free from obstructions before using the Seaterhead.

Instructions for Installation and Usage

1. Installation

- Ensure the Seaterhead is compatible with your specific seating die.
- Clean the seating die and the Seaterhead to remove any debris or oil.
- Attach the Seaterhead securely to the seating die, ensuring it is properly aligned.
- Tighten the connection according to the manufacturer's specifications.

2. Usage

- Before starting, ensure that all safety gear is worn.
- Set your seating die to the desired depth according to the specifications of the caliber.
- Insert the cartridge case into the seating die.
- Slowly pull the handle of the press to seat the bullet.
- Inspect the seated bullet to ensure it is properly positioned.
- Repeat the process for additional cartridges, ensuring consistent pressure and alignment.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged, contact your local waste management authority for guidance on proper disposal.

Contact Information for Further Support

For any inquiries regarding safety or usage of the TRIEBEL Seaterhead, please refer to the product manual or contact the manufacturer directly.

Thank you for prioritizing safety while using the TRIEBEL Seaterhead. Your adherence to these guidelines helps ensure a safe and effective experience.
