TRIEBEL Seaterhead Safety Instructions

Introduction

Thank you for choosing the TRIEBEL Seaterhead Caliber 5,6/.224 Type: KJG, MJG. This product is designed as an accessory for Seater with Crimp and BenchRestSeaters from Triebel. It is essential to follow the safety guidelines and instructions provided in this manual to ensure safe and effective use of the product.

General Safety Guidelines

- Always read and understand the entire manual before using the product.
- Ensure that the product is used in accordance with local laws and regulations.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear before use.
- If the product is damaged, do not use it and contact the manufacturer for guidance.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the product is compatible with your specific Seater model before use.
- Use the product only for its intended purpose to avoid accidents.
- Wear appropriate safety gear, including eye protection, when using the product.
- Avoid using excessive force during installation and operation to prevent injury.
- Always follow the recommended torque specifications during installation.
- Do not modify the product in any way, as this may compromise safety.
- Store the product in a dry, cool place away from direct sunlight when not in use.

Instructions for Installation and Usage

1. Installation

- Ensure that all components are present and in good condition before starting the installation.
- Carefully read the installation instructions provided in the manual of your Seater.
- Align the TRIEBEL Seaterhead with the Seater and ensure it fits correctly.
- Securely fasten the Seaterhead according to the manufacturer's torque specifications.
- Doublecheck that all connections are tight and secure before proceeding.

2. Usage

- Always follow the manufacturer's guidelines for using the Seater with the TRIEBEL Seaterhead.
- Check the Seater and Seaterhead for proper alignment before each use.
- Monitor the product during use for any unusual noises or performance issues.
- If any issues arise, stop using the product immediately and inspect for problems.

Disposal Instructions

- Dispose of the TRIEBEL Seaterhead in accordance with local waste disposal regulations.
- Do not dispose of the product in household waste. Instead, use designated collection points for hazardous materials if applicable.
- Ensure that the product is completely decommissioned before disposal to prevent accidental use.

Contact Information for Further Support

For any questions or concerns regarding the TRIEBEL Seaterhead, please refer to the manufacturer's contact information provided in the product packaging or on the official website.

By following these safety instructions, you can ensure a safe and effective experience with your TRIEBEL Seaterhead. Thank you for choosing our product, and we wish you safe and successful usage.
