TRIEBEL Seaterhead Safety Instruction Guide

Introduction

Thank you for choosing the TRIEBEL Seaterhead Caliber 6,5/.264 Type: KS. This product is designed as an accessory for Seater with Crimp and BenchRestSeaters from Triebel. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Keep this product out of reach of children and vulnerable individuals.
- Regularly check for any signs of wear or damage before use.
- Always adhere to local laws and regulations regarding the use of reloading equipment.
- Store the product in a cool, dry place away from direct sunlight and moisture.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves during use.
- Avoid using the product if you are under the influence of drugs, alcohol, or medications that may impair your judgment.
- Ensure that all components are securely fastened before starting any operation.
- Do not exceed the recommended specifications for the product.
- Be aware of your surroundings and ensure that there are no distractions while using the product.

Instructions for Installation and Usage

1. Installation:

- Ensure the work area is clean and welllit.
- Check that the Seaterhead is compatible with your existing equipment.
- Securely attach the Seaterhead to your reloading press according to the manufacturer's instructions.
- Verify that all connections are tight and stable before proceeding.

2. Usage:

- Follow the specific loading instructions provided in the manual for your reloading equipment.
- Monitor the reloading process closely to ensure that everything is functioning correctly.
- If you notice any unusual sounds or movement, stop using the product immediately and check for issues.
- After use, clean the Seaterhead according to the maintenance guidelines in the manual.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding hazardous materials.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the TRIEBEL Seaterhead, please consult the manual or reach out to the

manufacturer directly for assistance.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your TRIEBEL Seaterhead. Thank you for your attention to these important safety measures.
