# TRIEBEL Seaterheads Safety Instruction Guide

## Introduction

Thank you for choosing the TRIEBEL Seaterhead Caliber 6,5/.264 Type: R23. This product is an accessory designed for use with crimp and benchrest seaters from Triebel. Proper use and maintenance of this product are essential for ensuring safety and achieving optimal performance. Please read this safety instruction guide carefully before using the product.

## General Safety Guidelines

- Ensure that the TRIEBEL Seaterhead is used only for its intended purpose as described in this guide.
- Always wear appropriate safety gear, including eye protection, when using this product.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for wear and damage. Do not use if any parts are damaged.
- Follow all applicable local laws and regulations regarding the use of this product.

## Specific Safety Precautions for Use

- Use the TRIEBEL Seaterhead only with compatible equipment as specified by the manufacturer.
- Avoid using excessive force during installation or operation to prevent damage and potential injury.
- Ensure that the work area is welllit and free from clutter to minimize the risk of accidents.
- Do not attempt to modify or alter the product in any way, as this may compromise safety and performance.
- Be aware of your surroundings and ensure that no one is in close proximity when operating the equipment.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that the seater and crimping equipment are turned off and disconnected from power before installation.
- Align the TRIEBEL Seaterhead with the designated attachment point on the seater.
- Securely fasten the Seaterhead according to the manufacturer's instructions to prevent it from coming loose during use.

### 2. Usage

- Before starting, doublecheck that all components are securely attached and that the work area is clear.
- Follow the specific loading and crimping procedures as outlined in the equipment manual.
- Monitor the operation closely to ensure that everything is functioning correctly.
- If any unusual sounds or movements occur, stop using the product immediately and inspect for issues.

## Disposal Instructions

- Dispose of the TRIEBEL Seaterhead and any associated materials in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, take it to a designated recycling facility if available.
- Ensure that any packaging materials are also disposed of responsibly.

## Contact Information for Further Support

For any questions or concerns regarding the TRIEBEL Seaterhead, please refer to the manufacturer's manual or contact the appropriate support channels. Always ensure that you have the product's details available when seeking assistance.

By following these safety instructions, you can help ensure a safe and effective experience with your TRIEBEL Seaterhead. Always stay informed about safety updates and product recalls through the EU's Safety Gate platform. Thank you for your attention to safety!
