# TRIEBEL Seaterhead Safety Instructions

## Introduction

Thank you for choosing the TRIEBEL Seaterhead Caliber 6,5/.264 Type: R50a. This product is designed for use with Crimp and BenchRestSeaters from Triebel. It is essential to follow these safety instructions to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the manual.
- Always handle the product with care to prevent any accidents or injuries.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear. If damaged, discontinue use immediately.
- Familiarize yourself with the product's features and functions before use.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the Seaterhead.
- Ensure that the work area is clean and free of any obstructions that could cause accidents.
- Use the Seaterhead only with compatible equipment and components.
- Avoid using excessive force when operating the Seaterhead to prevent damage or personal injury.
- Never modify the product or use it in a manner not specified by the manufacturer.
- Store the Seaterhead in a dry and safe location when not in use.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the work surface is stable and secure.
- Attach the Seaterhead to the appropriate equipment according to the manufacturer's instructions.
- Verify that all connections are secure before proceeding to use the product.

### 2. Usage:

- Set the Seaterhead to the desired settings before starting your work.
- Carefully follow the instructions provided in the manual for operating the Seaterhead.
- Monitor the operation closely to ensure that it is functioning correctly and safely.
- If you notice any unusual sounds or behaviors, stop using the product immediately and inspect it for issues.

## Disposal Instructions

- Dispose of the Seaterhead in accordance with local regulations regarding electronic and mechanical waste.
- Ensure that the product is disposed of in an environmentally friendly manner.
- Do not dispose of the product in household waste.

## Contact Information for Further Support

For any inquiries or concerns regarding the TRIEBEL Seaterhead, please refer to the product manual for contact

details of the manufacturer.

Thank you for your attention to these safety instructions. Always prioritize safety while using the TRIEBEL Seaterhead.
