# TRIEBEL Seaterhead Safety Instruction Guide

## Introduction

Thank you for choosing the TRIEBEL Seaterhead Caliber 6.5/.264 Type: R65. This product is an accessory designed for use with Seater and Crimp as well as BenchRestSeaters from Triebel. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that all users are familiar with the product and its intended use.
- Always follow the manufacturer's instructions for installation and use.
- Regularly inspect the product for any signs of wear or damage before each use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Stay updated on recall notices and safety information through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the Seaterhead.
- Ensure that the work area is wellventilated and free from any flammable materials.
- Do not exceed the recommended specifications for the product, including the caliber and diameter.
- Avoid using the product if you notice any damage or if it is functioning improperly.
- Be cautious when handling any components that may be sharp or have the potential to cause injury.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that you have all necessary tools and components before starting the installation.
- Read the manual thoroughly to understand the specific requirements for your Seaterhead.

### 2. Installation:

- Securely attach the Seaterhead to the appropriate seating tool, following the manufacturer's guidelines.
- Make sure that all connections are tight and secure to prevent any accidents during use.

### 3. Usage:

- Adjust the Seaterhead according to the specifications for your specific caliber (6.5/.264).
- Follow the recommended procedures for seating and crimping to ensure optimal performance.
- Monitor the Seaterhead during use for any signs of malfunction or wear.

### 4. PostUse:

- Clean the Seaterhead and surrounding area after use to maintain safety and functionality.
- Store the product in a safe, dry location away from children and pets.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and mechanical waste.
- Ensure that all components are disposed of in a manner that does not pose a risk to the environment or

public safety.

## **Contact Information for Further Support**

For any questions or concerns regarding the TRIEBEL Seaterhead, please refer to the manufacturer's manual or reach out to your local distributor for assistance.

Thank you for choosing TRIEBEL products. Your safety is our priority.
