TRIEBEL SEATERHEADS Safety Instruction Guide

Introduction

Thank you for choosing the TRIEBEL Seaterhead Caliber 6,7/.270 Type: R110. This product is designed as an accessory for Seater with Crimp and BenchRestSeaters from Triebel. To ensure your safety and the proper use of this product, please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure that you understand all safety instructions before using the product.
- Always use the product as intended and according to the manufacturer's guidelines.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product regularly for any signs of damage or wear.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the TRIEBEL Seaterhead with compatible equipment.
- Do not exceed the recommended caliber specifications.
- Wear appropriate safety gear, including eye protection, when using the product.
- Avoid using the product in wet or damp conditions to prevent electrical hazards.
- Ensure that your workspace is clear of obstructions and hazards.
- Do not attempt to modify or repair the product without professional assistance.

Instructions for Installation and Usage

1. Installation:

- Ensure that the workspace is clean and welllit.
- Check that all tools and equipment needed for installation are available.
- Follow the manufacturer's manual for specific installation instructions.
- Secure the Seaterhead firmly to prevent movement during use.

2. Usage:

- Before using the product, read all instructions carefully.
- Ensure that the Seaterhead is properly attached to the Seater.
- Load the Seaterhead only with the correct caliber as specified (6,7/.270).
- Maintain a safe distance from others while operating the equipment.
- After use, store the product in a safe and dry location.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check for any recycling programs available for the materials used in the product.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please refer to the manufacturer's manual or website for contact details.

Thank you for your attention to these safety guidelines. Your safety is our priority.
