TRIEBEL SEATERHEADS Safety Instruction Guide

Introduction

Thank you for choosing the TRIEBEL Seaterhead Caliber 6,0/.243 Type: R53. This accessory is designed for use with Seater with Crimp and BenchRestSeaters from Triebel. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Always follow manufacturer guidelines and recommendations.
- In case of any doubts regarding product safety, consult the manual or reach out for assistance.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using the Seaterhead.
- Avoid using the product in wet or humid conditions to prevent electrical hazards.
- Do not exceed the recommended caliber specifications during use.
- Ensure that the work area is clean and free of obstructions to prevent accidents.
- Never modify the product or use it in a manner not intended by the manufacturer.

Instructions for Installation and Usage

1. Installation:

- Ensure the work area is clean and organized.
- Carefully unpack the TRIEBEL Seaterhead and inspect for any shipping damage.
- Follow the specific installation instructions provided in the manual to attach the Seaterhead securely to the benchrest seater or crimping tool.
- Verify that all connections are tight and secure before proceeding.

2. Usage:

- Before using the Seaterhead, read the manual thoroughly for detailed operational instructions.
- Ensure that the caliber matches the specifications of the Seaterhead (Caliber 6,0/.243).
- Load the appropriate ammunition carefully, following all safety protocols.
- Operate the Seaterhead according to the manufacturer's guidelines, maintaining a safe distance from the working area.
- After use, clean the Seaterhead as per the maintenance instructions in the manual to ensure longevity.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, consider recycling options where available.

Contact Information for Further Support

For any safety inquiries or additional information regarding the TRIEBEL Seaterhead, please refer to the manual

for contact details of the EUbased support center.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your TRIEBEL Seaterhead. Regularly check for any updates or recalls on the EU's Safety Gate platform to stay informed about product safety. Thank you for your attention to safety.
