TRIEBEL Seaterheads Safety Instruction Guide

Introduction

Thank you for choosing the TRIEBEL Seaterhead Caliber 6,0/.243 Type: R60. This product is designed to enhance your reloading experience with safety and precision. Please read this safety instruction guide carefully to ensure proper use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always follow the manufacturer's instructions for safe use.
- Ensure that the product is compatible with your existing equipment.
- Inspect the product for any damage or defects before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about recalls or safety alerts regarding this product through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the Seaterhead only for its intended purpose as described in the manual.
- Do not modify or alter the Seaterhead in any way.
- Always wear appropriate safety gear, such as eye protection, when using this product.
- Ensure that your workspace is clean and free from distractions while using the Seaterhead.
- Handle all components with care, particularly when working with ammunition and reloading materials.
- Store the Seaterhead in a secure location when not in use to prevent unauthorized access.

Instructions for Installation and Usage

1. Installation

- Ensure that your reloading press is turned off and unplugged before installation.
- Remove any existing components from the press that may interfere with the installation of the Seaterhead.
- Carefully attach the TRIEBEL Seaterhead to the reloading press, ensuring it is securely fastened.
- Check that the Seaterhead is properly aligned and functioning smoothly before proceeding.

2. Usage

- Follow the specific loading instructions provided in the manual for using the Seaterhead with your chosen caliber.
- Always doublecheck measurements and settings before commencing the reloading process.
- Do not rush the reloading process; take your time to ensure accuracy and safety.
- After completing the reloading process, inspect all ammunition for any irregularities before use.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the product becomes damaged or is no longer usable, dispose of it responsibly, ensuring that it does not pose a risk to others.
- Follow local guidelines for the disposal of any hazardous materials associated with reloading.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the manufacturer's contact information provided in the product manual.
