# TRIEBEL Seaterhead Safety Instructions

## Introduction

Thank you for choosing the TRIEBEL Seaterhead Caliber 7,62/.30 Type: R70. This accessory is designed for use with Seater with Crimp and BenchRestSeaters from Triebel. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your reloading equipment before using the TRIEBEL Seaterhead.
- Always use the product in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for signs of wear or damage. Do not use if damaged.
- Report any unsafe conditions or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Wear appropriate safety gear, including eye protection and gloves, when handling and using the Seaterhead.
- Ensure that the workspace is clean and free of obstructions to prevent accidents.
- Do not modify the Seaterhead or use it for purposes other than its intended use.
- Avoid using excessive force when operating the Seaterhead, as this may lead to malfunction or injury.
- Always follow the recommended procedures for loading and unloading the Seaterhead.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading equipment is powered off and disconnected from any power source.
- Carefully attach the TRIEBEL Seaterhead to your reloading press, ensuring a secure fit.
- Check the alignment of the Seaterhead to ensure proper operation.

### 2. Usage:

- Adjust the Seaterhead according to the specifications for the caliber you are working with (7,62/.30).
- Load the appropriate cartridge case into the Seaterhead.
- Follow the manufacturer's instructions for crimping and seating bullets.
- Monitor the process closely, and do not leave the equipment unattended while in use.
- After completing the reloading process, safely unload any remaining components.

## Disposal Instructions

- Dispose of the TRIEBEL Seaterhead in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, take it to a designated recycling facility or hazardous waste disposal site.
- Ensure that all components are disposed of safely to prevent environmental contamination.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the official manufacturer's website or contact your local distributor. It is important to have access to assistance should you need further guidance or information.

By following these safety instructions, you can ensure a safe and effective experience with your TRIEBEL Seaterhead. Thank you for prioritizing safety in your reloading practices.
