# TRIEBEL Seaterhead Safety Instruction Guide

## Introduction

Thank you for choosing the TRIEBEL Seaterhead Caliber 9.5/.375 Type: R105. This product is designed to assist with the seating of bullets in reloading applications. To ensure safe and effective use, please read this safety instruction guide carefully. It provides essential information on how to use the product safely and responsibly, in compliance with EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the TRIEBEL Seaterhead by following all instructions and warnings provided in this guide.
- **Enhanced Recalls:** In the event of a product recall, follow the instructions provided by the manufacturer for returning or replacing the product.
- **Online Shopping Safety:** When purchasing online, ensure you are using authorized retailers that meet safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure it is stored out of reach of minors.
- **EU Contact Point:** For safety inquiries, refer to your local EU consumer protection agency.
- **Rapid Alerts:** Stay informed about product safety updates by checking the EU Safety Gate platform regularly.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the TRIEBEL Seaterhead.
- Ensure the workspace is clean, dry, and free from obstructions to prevent accidents during use.
- Inspect the Seaterhead for any damage before use. Do not use if damaged or malfunctioning.
- Follow all manufacturer instructions regarding the setup and operation of the Seaterhead.
- Keep hands and other body parts clear of moving parts during operation to avoid injury.
- Do not exceed the recommended caliber specifications for the Seaterhead.
- Ensure proper ventilation when using the product, especially if working with materials that may produce harmful fumes.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the reloading press is securely mounted and stable.
- Attach the TRIEBEL Seaterhead to the reloading press according to the manufacturer's instructions.
- Verify that the Seaterhead is properly aligned and tightened to prevent movement during use.

### 2. Usage:

- Prepare your workspace by organizing all necessary materials and tools.
- Follow the reloading procedure as outlined in the manual for your specific reloading press.
- Insert the bullet into the case and position it under the Seaterhead.
- Slowly operate the reloading press to seat the bullet. Ensure that you maintain a firm grip on the press handle.
- After seating, inspect the bullet to confirm proper seating depth and alignment.

### 3. PostUsage:

- Clean the Seaterhead after each use to prevent residue buildup.
- Store the Seaterhead in a dry place, away from moisture and extreme temperatures.

## **Disposal Instructions**

- Dispose of the TRIEBEL Seaterhead in accordance with local regulations regarding electronic and mechanical waste.
- Do not dispose of the product in regular household waste. Check for recycling programs in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the TRIEBEL Seaterhead, please consult the manufacturer's website or contact your local retailer for assistance.

Stay safe and enjoy your reloading experience with the TRIEBEL Seaterhead!
