# Safety Instruction Guide for TRIEBEL Neck Size Bushing 6.18mm 223 Remington

## Introduction

Thank you for choosing the TRIEBEL Neck Size Bushing 6.18mm for your reloading needs. This guide provides essential safety instructions and usage information to ensure your safety and the effective operation of the product. Please read this guide carefully before using the bushing.

## General Safety Guidelines

- Ensure that the TRIEBEL Neck Size Bushing is used only with compatible Triebel neck sizing dies.
- Always inspect the bushing for any signs of damage or wear before use.
- Keep the bushing and all reloading equipment out of reach of children and vulnerable individuals.
- Use the bushing in a wellventilated area to avoid inhaling any dust or particles.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling reloading equipment.
- Avoid using excessive force when installing or removing the bushing to prevent damage.
- Ensure that the reloading press is stable and secure before use.
- Do not exceed the recommended specifications for the bushing as stated in the product specifications.
- Be cautious of potential hazards associated with reloading, including the handling of primers and powders.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools and materials, including the TRIEBEL Neck Size Bushing, compatible neck sizing die, and reloading press.
- Ensure your workspace is clean and organized.

### 2. Installation of the Bushing

- Open the neck sizing die according to the manufacturer's instructions.
- Carefully insert the TRIEBEL Neck Size Bushing into the die, ensuring it is seated correctly.
- Tighten the die securely to hold the bushing in place.

### 3. Usage

- Follow standard reloading procedures as outlined in your reloading manual.
- Monitor the bushing for any signs of wear during use and replace it if necessary.
- After resizing, inspect the cases to ensure they meet your specifications.

### 4. PostUsage Care

- Remove the bushing from the die after use.
- Clean the bushing with a soft cloth to remove any debris.
- Store the bushing in a safe and dry location.

## **Disposal Instructions**

- Dispose of the TRIEBEL Neck Size Bushing in accordance with local regulations.
- Do not dispose of the bushing in regular household waste if it is damaged or worn.
- Check with local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the TRIEBEL Neck Size Bushing, please refer to the manufacturer's customer service or website for additional support and guidance.

By following these safety instructions, you can ensure a safe and effective reloading experience with your TRIEBEL Neck Size Bushing. Thank you for prioritizing safety in your reloading practices.
