TRIEBEL Neck Size Bushing Safety Instruction Guide

Introduction

Thank you for choosing the TRIEBEL Neck Size Bushing for your reloading needs. This guide provides essential safety information and instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the bushing.

General Safety Guidelines

- Ensure that the TRIEBEL Neck Size Bushing is compatible with your neck sizing die before use.
- Always inspect the bushing for any signs of damage or wear before each use.
- Use the bushing only for its intended purpose, which is to size the necks of .223 Remington cartridges.
- Keep the bushing out of reach of children and vulnerable individuals to prevent accidental injury.
- When using the bushing, wear appropriate safety gear, including eye protection and gloves, to protect against potential hazards.
- Report any unsafe conditions or incidents involving the bushing to the appropriate authorities.

Specific Safety Precautions for Use

- Always follow the manufacturer's instructions for your neck sizing die when installing the bushing.
- Do not exceed the recommended pressure settings during use to prevent damage to the bushing or your reloading equipment.
- Ensure that all equipment is properly maintained and in good working condition prior to use.
- Avoid using the bushing in wet or damp conditions to prevent rust and corrosion.
- If you notice any unusual sounds or resistance while using the bushing, stop immediately and inspect the equipment.
- Store the bushing in a dry, cool place when not in use to prolong its lifespan.

Instructions for Installation and Usage

1. Installation:

- Ensure that your neck sizing die is clean and free of debris.
- Remove the existing bushing from the neck sizing die, if applicable.
- Insert the TRIEBEL Neck Size Bushing into the die, ensuring it is seated properly.
- Secure the bushing according to the die manufacturer's instructions.

2. Usage:

- Prepare your .223 Remington cartridge cases for resizing.
- Adjust your reloading press according to the manufacturer's specifications.
- Insert the cartridge case into the neck sizing die and apply pressure to resize the neck.
- Inspect the resized neck for uniformity and proper dimensions.
- Repeat the process for each cartridge case as needed.

Disposal Instructions

- Dispose of the TRIEBEL Neck Size Bushing responsibly at the end of its life cycle.
- Check local regulations for proper disposal methods for metal and reloading components.
- Do not dispose of the bushing in regular household waste to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the TRIEBEL Neck Size Bushing, please refer to the manufacturer's website or contact your local distributor for assistance.

By following these safety guidelines and instructions, you can ensure the safe and effective use of the TRIEBEL Neck Size Bushing. Thank you for your attention to these important safety measures.
