Safety Instruction Guide for TRIEBEL Neck Size Bushing 6.75mm 6 XC

Introduction

Thank you for choosing the TRIEBEL Neck Size Bushing 6.75mm 6 XC. This product is designed for use with Triebel neck sizing dies and is intended for safe and effective application in reloading ammunition. Please read this safety instruction guide thoroughly to ensure proper usage and to minimize any potential hazards.

General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Keep the product out of the reach of children and unauthorized users.
- Inspect the neck size bushing before each use for any signs of damage or wear.
- Use the product only for its intended purpose to avoid any risks associated with misuse.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the neck size bushing is compatible with your specific Triebel neck sizing die before installation.
- Use protective eyewear when operating reloading equipment to prevent eye injuries.
- Handle the neck size bushing carefully to avoid sharp edges that may cause cuts.
- Do not exceed the recommended specifications for the product, including the maximum pressure and caliber limits.
- Always work in a wellventilated area when reloading ammunition to avoid inhalation of any harmful substances.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials before starting the installation process.
- Ensure that the workspace is clean and organized.

2. Installation:

- Remove any existing neck size bushings from the Triebel neck sizing die.
- Clean the die and ensure there are no debris or residues that may interfere with the installation.
- Carefully insert the TRIEBEL Neck Size Bushing 6.75mm 6 XC into the die, ensuring it fits securely.
- Tighten any locking mechanisms as per the manufacturer's instructions to secure the bushing in place.

3. Usage:

- Follow the instructions for your specific reloading setup to ensure proper operation.
- Monitor the neck size bushing during use for any signs of malfunction or wear.
- If any issues arise, stop using the product immediately and inspect for damage.

Disposal Instructions

- Dispose of any damaged or worn neck size bushings in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for local recycling programs or

hazardous waste disposal options.

Contact Information for Further Support

For any inquiries or concerns regarding the TRIEBEL Neck Size Bushing 6.75mm 6 XC, please refer to the manufacturer's contact information found on the product packaging or official website.

Conclusion

By following these safety instructions, you can ensure safe and effective use of the TRIEBEL Neck Size Bushing 6.75mm 6 XC. Always prioritize safety and adhere to all guidelines to minimize risks associated with reloading ammunition. Thank you for your attention to these important safety measures.
