# TRIEBEL Neck Size Bushing Safety Instruction Guide

## Introduction

Thank you for choosing the TRIEBEL Neck Size Bushing. This guide provides essential safety instructions and usage information to ensure your safe and effective use of this product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the TRIEBEL Neck Size Bushing is used only for its intended purpose, which is to be used with Triebel neck sizing dies.
- Always inspect the bushing before use for any signs of damage or wear. Do not use if damaged.
- Keep the bushing out of reach of children and vulnerable individuals to prevent accidental injury.
- Store the bushing in a dry and secure place to avoid loss or damage.
- Follow all relevant safety guidelines and regulations when using this product in conjunction with other tools or equipment.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling or using the bushing.
- Ensure the work area is clean and free of obstructions to prevent accidents during use.
- Do not exceed the manufacturer's specified limits regarding dimensions and compatibility with other equipment.
- Use the bushing only with compatible neck sizing dies to avoid malfunction or injury.
- Avoid using excessive force when installing or removing the bushing to prevent damage to the bushing or associated equipment.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and equipment before starting the installation.
- Ensure the neck sizing die is clean and free from debris.

### 2. Installation:

- Align the TRIEBEL Neck Size Bushing with the neck sizing die.
- Carefully insert the bushing into the die, ensuring it fits snugly.
- Secure the bushing according to the die's installation instructions.

### 3. Usage:

- Once installed, use the neck sizing die as per the manufacturer's instructions.
- Monitor the bushing during use for any signs of wear or damage.
- If any issues arise, stop using the bushing immediately and inspect it for damage.

### 4. Removal:

- To remove the bushing, follow the die's removal instructions carefully.
- Avoid using excessive force to prevent damaging the bushing or die.

## **Disposal Instructions**

- Dispose of the TRIEBEL Neck Size Bushing in accordance with local regulations.
- Do not dispose of the bushing in regular household waste if it is damaged or contaminated.
- Consider recycling options if available in your area.

## **Contact Information for Further Support**

For any inquiries regarding the TRIEBEL Neck Size Bushing, please refer to the manufacturer's contact information provided with your product packaging or consult the retailer where you purchased the item.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
