# TRIEBEL Neck Size Bushing Safety Instructions

## Introduction

Thank you for choosing the TRIEBEL Neck Size Bushing. This guide provides important safety information and instructions to ensure the safe and effective use of this product. Please read and follow these guidelines carefully.

## General Safety Guidelines

- Ensure safe use of the TRIEBEL Neck Size Bushing by following all instructions.
- Be aware of potential hazards associated with the use of neck sizing dies and bushings.
- Always handle the product with care to prevent accidents or injuries.
- If you notice any damage to the product, do not use it and contact customer support.
- Keep the product out of reach of children and vulnerable individuals.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as safety glasses, when using the neck sizing die and bushing.
- Do not exceed the recommended specifications for the bushing to avoid malfunction.
- Ensure that the bushing is securely attached to the die before use to prevent accidents.
- Do not modify or alter the bushing or die in any way.
- Always work in a wellventilated area to avoid inhaling any dust or particles generated during use.
- Follow all manufacturer instructions for the proper use of the neck sizing die and bushing.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials for installation.
- Ensure you have a clean and organized workspace.

### 2. Installation:

- Remove the existing bushing from the neck sizing die if applicable.
- Insert the TRIEBEL Neck Size Bushing (7.20mm) into the neck sizing die.
- Ensure the bushing is seated properly and securely in place.

### 3. Usage:

- Follow the manufacturer's instructions for using the neck sizing die with the installed bushing.
- Check that the bushing is functioning correctly before proceeding with any sizing operations.
- Monitor the bushing during use for any signs of wear or damage.

### 4. PostUse Care:

- Clean the bushing and die after each use to maintain optimal performance.
- Store the bushing in a safe and dry place when not in use.

## Disposal Instructions

- Dispose of the TRIEBEL Neck Size Bushing in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling options if available in your area.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the TRIEBEL Neck Size Bushing, please contact the manufacturer or your local distributor for assistance.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure the safe and effective use of your TRIEBEL Neck Size Bushing. Thank you for your attention to safety!
