Safety Instructions for TRIEBEL Neck Size Bushing 7.28mm 6.5 Creedmoor

Introduction

Thank you for choosing the TRIEBEL Neck Size Bushing 7.28mm 6.5 Creedmoor. This product is designed for use with Triebel neck sizing dies and is intended to enhance your reloading experience. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

General Safety Guidelines

- Always follow the manufacturer's instructions for safe use.
- Ensure that the product is stored in a safe, dry place away from children and pets.
- Inspect the bushing for any signs of damage or wear before use.
- Use the product only for its intended purpose, as specified by the manufacturer.
- Be aware of the potential hazards associated with the use of reloading equipment and components.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper use may lead to malfunction or damage to the reloading equipment.
 - The bushing may become damaged if subjected to excessive force or improper handling.
- **Avoiding Hazards:**
 - Always handle the bushing with care to avoid dropping it or causing physical damage.
 - Ensure that all components are compatible and properly fitted before use.
 - Do not exceed the recommended specifications for the bushing.
 - Keep the bushing away from moisture and corrosive substances.

Instructions for Installation and Usage

1. Installation:

- Ensure that your Triebel neck sizing die is clean and free of debris.
- Align the bushing with the die and gently insert it until it is fully seated.
- Check that the bushing is securely in place before proceeding.

2. Usage:

- Follow the specific instructions provided with your neck sizing die for proper use.
- Apply consistent pressure when resizing cases to avoid damaging the bushing or die.
- Regularly check the bushing for wear and replace it if necessary.

3. PostUsage:

- After use, clean the bushing according to the manufacturer's recommendations.
- Store the bushing in a safe location, away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of the bushing in accordance with local regulations for metal products.
- Do not dispose of the bushing in regular household waste if it is damaged or has sharp edges.

- Contact local waste management facilities for guidance on proper disposal methods.

Contact Information for Further Support

For further assistance or inquiries regarding safety or product usage, please refer to the manufacturer's contact details provided with the product packaging.

Thank you for prioritizing safety while using the TRIEBEL Neck Size Bushing. Your adherence to these guidelines helps ensure a safe and efficient reloading experience.
