# TRIEBEL Neck Size Bushing Safety Instruction Guide

## Introduction

Thank you for choosing the TRIEBEL Neck Size Bushing. This guide provides important safety instructions to ensure the safe and effective use of this product. Please read all instructions carefully before use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to be used with Triebel neck sizing dies.
- Always inspect the bushing for any signs of damage or wear before use. Do not use if damaged.
- Keep the bushing out of reach of children and vulnerable individuals.
- Use the product in a wellventilated area and avoid inhalation of any materials during the resizing process.
- Follow all safety instructions provided with your neck sizing die.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling the bushing and during the resizing process.
- Ensure that the bushing is securely attached to the die before use to prevent accidents.
- Avoid using excessive force during resizing, as this can cause damage to the bushing or the die.
- Do not attempt to modify the bushing or use it in a manner not specified by the manufacturer.
- If you experience any unusual resistance while resizing, stop immediately and inspect the bushing and die for potential issues.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the neck sizing die is clean and free of debris.
- Carefully insert the TRIEBEL Neck Size Bushing into the neck sizing die, ensuring it fits snugly.
- Check that the bushing is properly seated and secured before proceeding.

### 2. Usage:

- Place the cartridge case into the neck sizing die with the bushing installed.
- Operate the resizing die according to the manufacturer's instructions, applying steady and controlled pressure.
- After resizing, carefully remove the cartridge case from the die and inspect it for proper sizing.

### 3. PostUse:

- Clean the bushing and die after each use to maintain performance and longevity.
- Store the bushing in a dry place, away from extreme temperatures and moisture.

## Disposal Instructions

- Dispose of the TRIEBEL Neck Size Bushing in accordance with local waste disposal regulations.
- If the bushing is damaged or worn beyond use, do not attempt to repair it. Instead, dispose of it responsibly.

## **Contact Information for Further Support**

For any safety inquiries or further information regarding the TRIEBEL Neck Size Bushing, please refer to the manufacturer's contact details provided with your product packaging.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
