# TRIEBEL Neck Size Bushing Safety Instructions

## Introduction

Thank you for choosing the TRIEBEL Neck Size Bushing. This product is designed for use with TRIEBEL neck sizing dies and is intended to enhance your reloading experience. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always handle all reloading equipment with care and follow the manufacturer's instructions.
- Ensure that the workspace is clean, dry, and welllit to minimize risks during use.
- Keep the product out of reach of children and unauthorized users.
- Regularly check the product for any signs of damage or wear before use.
- In case of malfunction or damage, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Ensure that the neck size bushing is compatible with your specific TRIEBEL neck sizing die.
- Do not exceed the recommended specifications for the bushing, including dimensions and caliber.
- Always wear appropriate safety gear, such as safety glasses, when using reloading equipment.
- Avoid using the bushing in a manner not intended by the manufacturer.
- If you notice any unusual behavior or performance while using the product, stop immediately and inspect the equipment.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the reloading press is turned off and unplugged before installation.
- Remove the existing bushing from the neck sizing die by unscrewing it counterclockwise.
- Take the TRIEBEL Neck Size Bushing and align it with the threads in the neck sizing die.
- Screw the bushing in clockwise until it is securely fastened, but do not overtighten.

### 2. Usage:

- Prepare your brass cases for resizing according to standard reloading practices.
- Insert the brass case into the neck sizing die with the installed bushing.
- Follow your reloading manual's instructions for operating the reloading press.
- After resizing, carefully remove the brass case from the die.

## Disposal Instructions

- Dispose of any damaged or worn bushings in accordance with local regulations.
- Do not throw the product in regular household waste. Check for local recycling programs that accept metal products.

## Contact Information for Further Support

For any safety inquiries or further assistance regarding the TRIEBEL Neck Size Bushing, please refer to the manufacturer's contact details provided with your product packaging or on the official website.

## **Conclusion**

By adhering to these safety instructions, you can ensure a safe and effective experience while using the TRIEBEL Neck Size Bushing. Remember to stay informed about safety recalls and updates through the EU's Safety Gate platform. Thank you for your attention to safety, and happy reloading!
