# Safety Instruction Guide for TRIEBEL Neck Size Bushing 7.48mm 270 Winchester

## Introduction

Thank you for choosing the TRIEBEL Neck Size Bushing 7.48mm 270 Winchester. This product is designed for use with Triebel neck sizing dies to enhance your reloading experience. To ensure safe and effective use of this product, please read and follow the safety guidelines and instructions provided in this document.

## General Safety Guidelines

- Always ensure that the bushing is compatible with your specific neck sizing die before use.
- Inspect the bushing for any signs of damage or wear prior to installation.
- Follow all manufacturer recommendations for use and maintenance.
- Keep the bushing and all reloading equipment out of reach of children and vulnerable individuals.
- In case of an emergency or product malfunction, report the issue to the appropriate authorities.
- Regularly check for any recall updates related to this product on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Handle the bushing with care to avoid injury from sharp edges.
- Ensure that your workspace is clean and free from distractions while using the bushing.
- Use appropriate personal protective equipment (PPE), such as safety glasses, while working with reloading equipment.
- Do not attempt to modify the bushing in any way, as this may compromise its safety and functionality.
- Always store the bushing in a dry and safe location when not in use.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials, including the TRIEBEL Neck Size Bushing and your Triebel neck sizing die.
- Ensure your workspace is clean and organized.

### 2. Installation:

- Remove the existing bushing from the neck sizing die if applicable.
- Carefully insert the TRIEBEL Neck Size Bushing into the neck sizing die. Ensure it is seated properly and securely.
- Tighten any locking mechanisms as per the die's instructions to secure the bushing in place.

### 3. Usage:

- Follow the specific instructions provided with your neck sizing die for proper operation.
- Monitor the bushing for any signs of wear or damage during use. If any issues arise, stop using the product immediately.
- After completing your reloading tasks, remove the bushing from the die and clean it as recommended by the manufacturer.

## **Disposal Instructions**

- Dispose of the bushing in accordance with local regulations for metal products.
- Do not dispose of the bushing in regular household waste if it is damaged or poses a hazard.
- Consider recycling the bushing if it is no longer usable.

## **Contact Information for Further Support**

For any questions or concerns regarding the TRIEBEL Neck Size Bushing, please refer to the manufacturer's contact details provided in the product packaging or visit the manufacturer's website for additional support and resources.

By following these safety instructions, you can ensure a safe and efficient reloading experience with your TRIEBEL Neck Size Bushing. Thank you for your attention to safety, and enjoy your reloading activities!
