# TRIEBEL Neck Size Bushing Safety Instruction Guide

## Introduction

Thank you for choosing the TRIEBEL Neck Size Bushing designed for use with Triebel neck sizing dies. This guide provides essential safety instructions to ensure the safe and effective use of the product. It is important to follow these guidelines to minimize risks and maximize performance.

## General Safety Guidelines

- Ensure that the TRIEBEL Neck Size Bushing is used only with compatible Triebel neck sizing dies.
- Always inspect the bushing for any signs of damage or wear before use. Do not use if damaged.
- Keep the bushing out of reach of children and vulnerable individuals to prevent accidents.
- Store the bushing in a dry and secure location to avoid environmental damage.
- Be aware of the potential hazards associated with reloading ammunition and follow all relevant safety practices.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling reloading equipment.
- Ensure that your workspace is clean and organized to avoid accidents.
- Follow the manufacturer's instructions for the specific die being used with the bushing.
- Do not exceed the recommended specifications for the bushing to avoid malfunctions.
- Never use the bushing for any purpose other than intended.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the reloading press is turned off and unplugged (if applicable) before beginning installation.
- Remove any existing bushing from the neck sizing die, if applicable.
- Carefully insert the TRIEBEL Neck Size Bushing into the neck sizing die, ensuring it is seated properly.
- Secure the die back into the reloading press according to the manufacturer's instructions.

### 2. Usage:

- Verify that all equipment is set up correctly before starting the reloading process.
- Follow the specific reloading instructions for the 270 Winchester caliber provided by the die manufacturer.
- Monitor the bushing during use for any signs of wear or malfunction, and stop using it immediately if any issues arise.
- After completing the reloading process, clean the bushing according to the manufacturer's recommendations to maintain its condition.

## Disposal Instructions

- Dispose of the TRIEBEL Neck Size Bushing in accordance with local regulations for metal products.
- Do not dispose of the bushing in regular household waste if it is damaged or worn out.
- Consider recycling the bushing if possible, to minimize environmental impact.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the TRIEBEL Neck Size Bushing, please refer to the contact information provided by the manufacturer. Ensure to have the product details available for a more efficient response.

By following these safety instructions, you can ensure a safe and effective reloading experience with your TRIEBEL Neck Size Bushing. Always prioritize safety and adhere to all guidelines for best practices. Thank you for your attention to these important safety measures.
