TRIEBEL Neck Size Bushing Safety Instructions

Introduction

Thank you for choosing the TRIEBEL Neck Size Bushing for your reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this document carefully before using the bushing.

General Safety Guidelines

- Always handle the TRIEBEL Neck Size Bushing with care to avoid injury.
- Ensure that the bushing is used only with compatible Triebel neck sizing dies.
- Store the bushing in a dry and safe place, away from children and pets.
- Regularly inspect the bushing for any signs of wear or damage before use.
- Follow all local laws and regulations regarding reloading and ammunition.

Specific Safety Precautions for Use

- Use protective eyewear during the reloading process to prevent injury from debris.
- Keep hands and work area clean and free of any contaminants that may affect the reloading process.
- Do not exceed the recommended specifications for the bushing and the associated die.
- If you experience any difficulty while using the bushing, stop immediately and consult a professional.
- Ensure that you are familiar with the reloading process and that you follow all manufacturer instructions.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and materials for reloading.
- Ensure that your work area is welllit and organized.

2. Installation

- Carefully remove the TRIEBEL Neck Size Bushing from its packaging.
- Inspect the bushing for any defects or damage.
- Insert the bushing into the Triebel neck sizing die, ensuring it fits securely.
- Tighten the die according to the manufacturer's specifications.

3. Usage

- Follow the specific instructions for your neck sizing die to complete the reloading process.
- Monitor the bushing during use for any signs of wear or malfunction.
- After use, clean the bushing and store it properly to maintain its condition.

Disposal Instructions

- Dispose of any damaged or worn bushings in accordance with local waste disposal regulations.
- Do not throw the bushing in regular trash if it is considered hazardous waste.
- Check with local authorities for proper disposal methods of reloading components.

Contact Information for Further Support

For safety inquiries and further support regarding the TRIEBEL Neck Size Bushing, please refer to the EU contact point or the manufacturer's website for assistance.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective reloading experience with the TRIEBEL Neck Size Bushing. Always prioritize safety and be aware of your surroundings while using this product. Thank you for your attention to these important safety measures.
