Safety Instruction Guide for TRIEBEL Neck Size Bushings

Introduction

Thank you for choosing the TRIEBEL Neck Size Bushing 8.25mm for 300 AAC Blackout. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of this product. Please read this document carefully before use to understand the potential hazards and how to avoid them.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified.
- Always inspect the bushing for any signs of damage or wear before use.
- Keep the product out of reach of children and vulnerable individuals.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling the bushing.
- Report any unsafe products or incidents to the relevant authorities.
- Stay updated on product recalls via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper installation may lead to equipment malfunction.
 - Using a damaged bushing can cause injury or damage to the firearm.
 - Ensure that the bushing is compatible with your specific neck sizing die.
- **Avoiding Hazards:**
 - Always follow the installation instructions provided in this guide.
 - Do not exceed the recommended specifications for the bushing.
 - Store the bushing in a dry and safe environment to prevent damage.
- **AgeSpecific Warnings:**
 - This product is not intended for use by individuals under the age of 18 without adult supervision.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and safety equipment.
- Ensure that the work area is clean and free from obstructions.

2. Installation:

- Remove the existing bushing from your neck sizing die.
- Clean the die to remove any debris or residue.
- Carefully insert the TRIEBEL Neck Size Bushing 8.25mm into the die, ensuring it is seated properly.
- Secure the bushing according to the die's specifications.

3. Usage:

- Follow the manufacturer's instructions for the neck sizing process.
- Regularly check the bushing for wear and replace it if necessary.
- Do not apply excessive force during the sizing process to avoid damage.

4. PostUsage Care:

- Clean the bushing after use to maintain its condition.
- Store the bushing in a protective case to prevent damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the bushing in regular household waste.
- Consider recycling options where available.

Contact Information for Further Support

For any inquiries or further support regarding the TRIEBEL Neck Size Bushing, please refer to the manufacturer's contact details provided on the packaging or product documentation.

Thank you for your attention to these safety instructions. We hope you enjoy using your TRIEBEL Neck Size Bushing safely and effectively.
