# TRIEBEL Neck Size Bushing Safety Instruction Guide

## Introduction

Thank you for choosing the TRIEBEL Neck Size Bushing for your neck sizing needs. This guide provides essential safety information, usage instructions, and disposal guidelines to ensure you have a safe and effective experience with our product.

## General Safety Guidelines

- Always read and understand the safety instructions before using the product.
- Ensure that the product is used in accordance with the specifications provided.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any updates or recalls related to the product via the EU Safety Gate platform.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that your workspace is clean and free of any obstructions before using the bushing.
- Always wear appropriate safety gear, including eye protection, when handling or installing the bushing.
- Do not exceed the recommended usage parameters, including the specified caliber and dimensions.
- Inspect the bushing for any signs of damage or wear before each use. Do not use if damaged.
- Avoid using the bushing in any manner not specified in the instructions.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials required for installation.
- Ensure that your neck sizing die is compatible with the TRIEBEL Neck Size Bushing.

### 2. Installation:

- Remove the existing bushing from the neck sizing die.
- Clean the die and ensure it is free from debris.
- Insert the TRIEBEL Neck Size Bushing (8.28mm) into the die, ensuring it fits snugly.
- Secure the bushing in place according to the die manufacturer's instructions.

### 3. Usage:

- Follow the manufacturer's instructions for operating the neck sizing die.
- Monitor the process closely to ensure safe and correct operation.
- After use, remove the bushing from the die and clean it to maintain its condition.

## Disposal Instructions

- Dispose of the TRIEBEL Neck Size Bushing in accordance with local regulations for nonhazardous materials.
- Do not dispose of the product in general waste if it is damaged or no longer functional.
- Consider recycling options where available.

## **Contact Information for Further Support**

For any inquiries regarding the TRIEBEL Neck Size Bushing, please refer to the manufacturer's contact point provided with your product packaging or documentation.

By adhering to these guidelines, you can ensure a safe and effective experience with your TRIEBEL Neck Size Bushing. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
