TRIEBEL Neck Size Bushing Safety Instruction Guide

Introduction

Thank you for choosing the TRIEBEL Neck Size Bushing for your reloading needs. This guide provides essential safety instructions and information to ensure the safe and effective use of this product. Please read this guide carefully before using the bushing.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as specified in this guide.
- Always follow the manufacturer's instructions and recommendations.
- Keep this product out of reach of children and vulnerable individuals.
- Regularly inspect the bushing for any signs of wear or damage before use.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Use proper personal protective equipment (PPE), such as safety glasses and gloves, when handling reloading components.
- Ensure that the reloading press is stable and securely mounted before installation.
- Do not exceed the recommended specifications for the bushing, including the inside diameter.
- Avoid using the bushing with incompatible calibers or dies.
- If you experience any unusual resistance or malfunction during use, stop immediately and inspect the equipment.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is unplugged or in a safe state before installing the bushing.
- Remove the existing neck sizing die from the press if applicable.
- Insert the TRIEBEL Neck Size Bushing into the neck sizing die according to the manufacturer's instructions.
- Secure the bushing in place as per the die specifications.

2. Usage:

- Adjust the reloading press according to the instructions provided with your specific press model.
- Use the bushing to size the neck of the cartridge case, ensuring the correct alignment.
- Monitor the sizing process to ensure consistent results and avoid oversizing.

3. PostUsage:

- After use, clean the bushing and any associated equipment to remove debris and residue.
- Store the bushing in a dry, cool place away from direct sunlight and moisture.

Disposal Instructions

- Dispose of the TRIEBEL Neck Size Bushing in accordance with local regulations for metal recycling.
- Do not dispose of the bushing in regular household waste.
- Ensure that any damaged or unusable components are disposed of safely to prevent injury.

Contact Information for Further Support

For any inquiries regarding the TRIEBEL Neck Size Bushing, please refer to the manufacturer's website or customer service resources for assistance. Ensure you have the product details handy for quicker support.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective reloading experience with the TRIEBEL Neck Size Bushing.
