# Safety Instruction Guide for TRIEBEL Neck Size Bushing 8.48mm 300 Norma Magnum

## Introduction

Thank you for choosing the TRIEBEL Neck Size Bushing 8.48mm for your reloading needs. This guide provides essential safety instructions and information to ensure the safe use and handling of this product. Please read this guide carefully before using the neck size bushing.

## General Safety Guidelines

- Ensure that you are familiar with the operation of reloading equipment before using this product.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the neck size bushing for signs of wear or damage before each use.
- Follow the manufacturer's instructions for the reloading process to avoid accidents.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- The neck size bushing is designed to fit specific reloading dies. Using it with incompatible dies may result in malfunction or accidents.
- Improper handling or installation may lead to injuries or damage to the reloading equipment.

- **Avoiding Hazards:**

- Always ensure that the bushing is securely attached to the die before use.
- Do not exceed the recommended specifications for use.
- Never use the bushing for purposes other than those specified by the manufacturer.
- Avoid using the product if it is damaged or worn. Replace it immediately.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the reloading die is clean and free of debris.
- Carefully insert the TRIEBEL Neck Size Bushing into the designated opening of the reloading die.
- Tighten the bushing securely using the appropriate tools, ensuring it is firmly in place.

### 2. Usage:

- Follow the reloading die's instructions for setting up your reloading press.
- Use the neck size bushing only with compatible cartridges (300 Norma Magnum).
- Monitor the reloading process closely to ensure safety and accuracy.

### 3. PostUsage:

- After use, clean the neck size bushing to remove any residue or debris.
- Store the bushing in a safe, dry location away from children and pets.

## **Disposal Instructions**

- Dispose of the TRIEBEL Neck Size Bushing in accordance with local regulations.
- Do not dispose of the product in household waste if it is damaged or contains hazardous materials.
- Consider recycling options if available in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the TRIEBEL Neck Size Bushing, please refer to the manufacturer's website or contact your local retailer for assistance. Ensure that you have the product details ready for a more efficient support experience.

Thank you for prioritizing safety while using the TRIEBEL Neck Size Bushing. Your adherence to these guidelines helps ensure a safe and effective reloading experience.
