Safety Instruction Guide for TRIEBEL Neck Size Bushing 8.50mm 300 Norma Magnum

Introduction

Thank you for choosing the TRIEBEL Neck Size Bushing designed for use with Triebel neck sizing dies. This guide provides essential safety information and instructions to ensure safe and effective use of the product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Regularly inspect the neck size bushing for any signs of wear or damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the neck size bushing only with compatible Triebel neck sizing dies.
- Do not exceed the recommended specifications; using the bushing outside its intended parameters may cause malfunctions or accidents.
- Wear appropriate protective gear, such as safety glasses and gloves, when handling the product.
- Ensure that the workspace is clean and free from hazards before beginning any work with the neck size bushing.
- If you experience any unusual behavior or signs of malfunction during use, stop immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials.
- Ensure that the workspace is welllit and organized.

2. Installation:

- Carefully remove the neck size bushing from its packaging.
- Inspect the bushing for any visible defects or damage.
- Insert the neck size bushing into the Triebel neck sizing die, ensuring it fits securely.
- Doublecheck that the bushing is properly seated before proceeding.

3. Usage:

- Follow the specific instructions provided with your Triebel neck sizing die for operation.
- Monitor the bushing during use for any signs of wear or damage.
- If adjustments are needed, ensure that the die is not in operation and follow proper safety procedures.

4. PostUse:

- After use, remove the bushing from the die and clean it according to the manufacturer's recommendations.

- Store the neck size bushing in a safe, dry place, away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of the neck size bushing in accordance with local regulations.
- Do not dispose of the product in household waste unless specified by local guidelines.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any questions, concerns, or further assistance regarding the TRIEBEL Neck Size Bushing, please refer to the manufacturer's contact information provided with the product packaging.

By following these guidelines and instructions, you can ensure a safe and effective experience with your TRIEBEL Neck Size Bushing. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
