TRIEBEL Neck Size Bushing Safety Instructions

Introduction

Thank you for choosing the TRIEBEL Neck Size Bushing. This product is designed to assist in the neck sizing of cartridges for the 8x57 IS caliber. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for use and maintenance.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Use the TRIEBEL Neck Size Bushing only with compatible neck sizing dies.
- Ensure that the inside diameter of the bushing (8.83mm) matches the specifications of your cartridge.
- Avoid forcing the bushing into the die; it should fit snugly without excessive pressure.
- Do not use the product if it appears damaged or worn.
- Always wear appropriate personal protective equipment (PPE) when handling reloading tools.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials, including the TRIEBEL Neck Size Bushing, neck sizing die, and appropriate reloading equipment.
- Ensure your workspace is clean and welllit.

2. Installation:

- Remove the existing neck sizing bushing from the die.
- Insert the TRIEBEL Neck Size Bushing into the die, ensuring it is seated properly.
- Secure the bushing in place according to the die manufacturer's instructions.

3. Usage:

- Prepare your brass cases for resizing according to standard reloading practices.
- Place the die with the installed bushing into your reloading press.
- Insert the brass case into the die and operate the press to resize the neck.
- Inspect the resized case to ensure it meets specifications.

4. PostUsage Care:

- Clean the bushing and die after use to prevent buildup of residue.
- Store the bushing in a safe, dry place away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local regulations.
- Recycle materials whenever possible, following appropriate recycling guidelines.

Contact Information for Further Support

For any safety inquiries or further assistance, please contact the manufacturer directly. Ensure that you have the product details ready for reference.

By following these safety instructions, you can ensure a safe and effective experience with the TRIEBEL Neck Size Bushing. Thank you for your attention to safety.
