Safety Instruction Guide for TRIEBEL Neck Size Bushings

Introduction

Thank you for choosing the TRIEBEL Neck Size Bushing. This product is designed for use with Triebel neck sizing dies and ensures precision in your reloading process. To ensure safe and effective use, please read this safety instruction guide thoroughly before using the product.

General Safety Guidelines

- Always use the product as intended and follow the manufacturer's instructions.
- Inspect the bushing for any signs of damage or wear before each use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.
- Ensure that you are aware of the potential hazards associated with this product.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear appropriate safety gear, including safety glasses and gloves, when handling and using the neck size bushing.
- **Proper Handling:** Handle the bushing with care to avoid dropping or damaging it.
- **Compatibility Check:** Verify that the bushing is compatible with your specific Triebel neck sizing die before use.
- **Avoid Force:** Do not use excessive force when installing or removing the bushing from the die to prevent damage.
- **Storage:** Store the bushing in a dry, cool place away from direct sunlight and moisture to prevent corrosion or damage.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your workspace is clean and welllit.
- Gather all necessary tools and equipment.

2. Installation:

- Remove the neck sizing die from your reloading press.
- Carefully insert the TRIEBEL Neck Size Bushing into the die, ensuring it fits securely.
- Tighten any locking mechanisms to ensure the bushing is held in place.

3. Usage:

- Follow the specific instructions for your neck sizing die regarding the reloading process.
- Monitor the bushing during use for any signs of wear or damage.
- If you notice any issues, stop using the product immediately and inspect it.

4. PostUse:

- After use, remove the bushing from the die and clean it according to the manufacturer's recommendations.

- Store the bushing safely to prevent damage.

Disposal Instructions

- Dispose of the TRIEBEL Neck Size Bushing in accordance with local regulations.
- If the bushing is damaged or no longer usable, do not throw it in regular waste. Instead, check with local waste management services for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding the TRIEBEL Neck Size Bushing, please refer to the contact details provided by the manufacturer or authorized retailers.

By following these safety instructions, you can ensure a safe and effective reloading experience with your TRIEBEL Neck Size Bushing. Thank you for your attention to safety.
