# TRIEBEL Neck Size Bushing Safety Instruction Guide

## Introduction

Thank you for choosing the TRIEBEL Neck Size Bushing. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this manual carefully before using the bushing.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to be used with TRIEBEL neck sizing dies.
- Always inspect the bushing for any signs of damage or wear before each use. Do not use if damaged.
- Keep the bushing out of reach of children and vulnerable individuals to prevent misuse and accidents.
- Follow all local regulations regarding the use and handling of reloading components.
- Be aware of the potential hazards associated with reloading and follow best practices for safety.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, while handling and using the bushing.
- Ensure that the workspace is clean, welllit, and organized to reduce the risk of accidents.
- Do not attempt to modify the bushing or use it in a manner not specified by the manufacturer.
- Avoid overtightening the bushing in the die, as this may cause damage or malfunction.
- Always follow the manufacturer's instructions for the compatible neck sizing die to ensure proper operation.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the neck sizing die is properly mounted in your reloading press.
- Carefully insert the TRIEBEL Neck Size Bushing into the neck sizing die until it is securely seated.
- Check that the bushing is properly aligned and does not obstruct any moving parts of the die.

### 2. Usage:

- Prepare your brass cases according to standard reloading procedures.
- Insert the brass case into the neck sizing die with the bushing installed.
- Operate the reloading press following the manufacturer's instructions, ensuring smooth and controlled movements.
- After resizing, carefully remove the brass case from the die.

### 3. PostUsage:

- Clean the bushing and die after use to remove any debris or residue.
- Store the bushing in a safe and dry location, away from direct sunlight and moisture.

## Disposal Instructions

- Dispose of the TRIEBEL Neck Size Bushing in accordance with local regulations for metal waste.
- Do not dispose of the bushing in regular household waste. Instead, take it to a designated recycling facility if available.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please reach out to your local TRIEBEL dealer or authorized distributor. Always refer to the official TRIEBEL website for the most up-to-date information and guidance.

## **Conclusion**

By following the guidelines and instructions outlined in this safety instruction guide, you can ensure safe and effective use of the TRIEBEL Neck Size Bushing. Thank you for your attention to safety and for choosing TRIEBEL products.
