Safety Instruction Guide for TRIEBEL Neck Size Bushings

Introduction

Thank you for choosing the TRIEBEL Neck Size Bushing 9.05mm 8.5x55 Blaser. This guide provides essential safety instructions to ensure the safe use of this product. Please read this guide thoroughly before using the bushing to avoid potential hazards and ensure optimal performance.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this guide.
- Always inspect the bushing for any signs of damage or wear before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Use appropriate protective equipment, such as safety glasses, when handling or using the neck sizing die and bushing.
- Follow all local laws and regulations concerning the use of reloading equipment.

Specific Safety Precautions for Use

- Do not exceed the maximum recommended pressure or specifications for the bushing.
- Ensure that the bushing is properly installed in the neck sizing die before use.
- Avoid using the bushing with incompatible calibers or equipment.
- Always follow the manufacturer's instructions for the neck sizing die in conjunction with the bushing.
- In case of any malfunction or unexpected behavior during use, stop immediately and inspect the product.

Instructions for Installation and Usage

1. Installation

- Ensure that your work area is clean and free of any obstructions.
- Verify that the neck sizing die is compatible with the TRIEBEL neck size bushing.
- Carefully remove the bushing from its packaging.
- Insert the bushing into the neck sizing die, ensuring it is seated properly.
- Tighten any locking mechanisms as per the die's instructions to secure the bushing in place.

2. Usage

- Prepare your brass cases according to standard reloading procedures.
- Insert the brass case into the neck sizing die with the bushing installed.
- Operate the reloading press as per the die's manufacturer instructions, ensuring the bushing is functioning correctly.
- After use, remove the brass case and inspect it for proper sizing.

Disposal Instructions

- Dispose of any damaged or worn bushings in accordance with local waste disposal regulations.
- Do not throw the product in regular household waste. Check for recycling options or designated disposal sites for metal products.

Contact Information for Further Support

For any questions or concerns regarding the TRIEBEL Neck Size Bushing, please refer to the manufacturer's support channels. Ensure you have your product details ready for efficient assistance.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and effective experience using the TRIEBEL Neck Size Bushing. Always prioritize safety and adhere to all recommendations outlined in this guide. Thank you for your attention to these important safety measures.
