# TRIEBEL Neck Size Bushing Safety Instruction Guide

## Introduction

Thank you for choosing the TRIEBEL Neck Size Bushing. This product is designed for use with Triebel neck sizing dies and is essential for achieving precise neck sizing for your ammunition. To ensure safe usage, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always handle the TRIEBEL Neck Size Bushing with care.
- Ensure that the product is used only for its intended purpose as specified in this guide.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the bushing for any signs of damage or wear before use.
- If you encounter any issues with the product, cease use immediately and consult the appropriate support.

## Specific Safety Precautions for Use

- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves while handling the bushing.
- Avoid using the bushing with incompatible dies or calibers.
- Do not exceed the recommended specifications for the bushing to prevent accidents or malfunctions.
- Ensure that the workspace is clean and free from obstructions when using the bushing.
- Follow all local laws and regulations regarding the use of reloading equipment.

## Instructions for Installation and Usage

### 1. Installation of the Bushing:

- Ensure that your Triebel neck sizing die is clean and free from debris.
- Carefully remove the existing bushing from the die if applicable.
- Insert the TRIEBEL Neck Size Bushing (9.13mm) into the die, ensuring it fits snugly.
- Secure the bushing in place according to the die's instructions.

### 2. Usage of the Bushing:

- Set your reloading press to the appropriate settings for the 8.5x55 Blaser caliber.
- Place the cartridge case into the die and apply pressure to size the neck.
- Monitor the process closely to ensure consistent sizing and avoid overpressing.

### 3. PostUsage Care:

- After use, clean the bushing with a suitable cleaning solution to remove any residue.
- Store the bushing in a safe and dry location, away from heat sources and moisture.

## Disposal Instructions

- Dispose of the TRIEBEL Neck Size Bushing in accordance with local regulations.
- If the bushing becomes damaged or is no longer usable, do not attempt to repair it; dispose of it responsibly.

## **Contact Information for Further Support**

For any inquiries regarding the TRIEBEL Neck Size Bushing, please refer to the product packaging for the manufacturer's contact information. It is important to reach out for support if you have questions or need assistance regarding safety, usage, or any other concerns.

By following these guidelines, you can ensure a safe and effective experience with your TRIEBEL Neck Size Bushing. Always prioritize safety and compliance with local regulations while handling and using this product. Thank you for your attention to these important instructions.
