TRIEBEL Neck Size Bushing Safety Instructions

Introduction

Thank you for choosing the TRIEBEL Neck Size Bushing designed for use with TRIEBEL neck sizing dies. This guide provides essential safety instructions and usage guidelines to ensure your safety and the effective use of the product.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always read and understand the instructions before use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as safety glasses, when using the neck sizing die.
- Do not exceed the recommended specifications when using the neck size bushing.
- Ensure that the bushing is properly installed before use to avoid accidents.
- Avoid using the bushing if it shows signs of damage or deformation.
- Handle the bushing with care to prevent injury from sharp edges or points.

Instructions for Installation and Usage

1. Preparation

- Ensure that you have the correct TRIEBEL neck sizing die compatible with the 9.15mm neck size bushing.
- Gather all necessary tools and safety equipment.

2. Installation

- Carefully remove the existing bushing from the neck sizing die.
- Inspect the neck size bushing for any defects before installation.
- Insert the TRIEBEL neck size bushing (9.15mm) into the neck sizing die until it is securely in place.

3. Usage

- Follow the manufacturer's instructions for operating the neck sizing die.
- Ensure the bushing is properly aligned with the cartridge case before beginning the sizing process.
- Apply steady and even pressure when using the die to avoid damaging the bushing or the die itself.
- After usage, clean the bushing and die to maintain their condition and functionality.

Disposal Instructions

- Dispose of the neck size bushing according to local regulations.
- Do not dispose of the product in regular household waste if it is damaged or defective.
- Check for recycling options in your area to minimize environmental impact.

Contact Information for Further Support

For any inquiries related to safety or product support, please refer to the contact details provided by your supplier or check the manufacturer's website for further assistance.
