# TRIEBEL Neck Size Bushing Safety Instruction Guide

## Introduction

Thank you for choosing the TRIEBEL Neck Size Bushing 9.18mm for your reloading needs. This product is designed to enhance the precision of your neck sizing process for the 338 Lapua Magnum cartridge. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always handle the bushing with care to prevent damage.
- Ensure that the bushing is compatible with your specific neck sizing die before use.
- Keep the bushing out of reach of children and vulnerable individuals.
- Regularly inspect the bushing for signs of wear or damage before each use.
- Store the bushing in a safe, dry place to avoid corrosion and deterioration.

## Specific Safety Precautions for Use

- **Compatibility:** Only use the TRIEBEL Neck Size Bushing with TRIEBEL neck sizing dies.
- **Personal Safety:** Wear safety glasses when working with reloading equipment to protect your eyes from potential debris.
- **Work Area:** Ensure your work area is welllit and free from distractions.
- **Handling:** Avoid excessive force when installing or removing the bushing to prevent injury or damage.
- **Use of Tools:** Only use appropriate tools designed for the installation and removal of the bushing. Do not use makeshift tools.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials, including your TRIEBEL neck sizing die and the 9.18mm bushing.
- Ensure your work area is clean and organized.

### 2. Installation:

- Remove the existing bushing from your TRIEBEL neck sizing die by following the manufacturer's instructions.
- Carefully insert the TRIEBEL Neck Size Bushing 9.18mm into the die.
- Ensure the bushing is seated properly and securely.
- Tighten any fasteners as specified in the neck sizing die's instructions.

### 3. Usage:

- Follow the reloading process as outlined in your reloading manual.
- Monitor the performance of the bushing during use. If you notice any irregularities, stop using it immediately and inspect for damage.

### 4. PostUsage:

- After use, clean the bushing to remove any debris or residue.
- Store the bushing in its original packaging or a designated storage container.

## Disposal Instructions

- Dispose of the bushing in accordance with local regulations.
- If the bushing is damaged or no longer usable, do not throw it in regular waste. Instead, contact your local waste management authority for proper disposal methods.

## Contact Information for Further Support

For any inquiries regarding safety or product performance, please reach out to the appropriate EUbased contact for assistance. You can find relevant contact information on the product packaging or the manufacturer's website.

## Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your TRIEBEL Neck Size Bushing. Always prioritize safety and stay informed about best practices in reloading. Thank you for your attention to these guidelines.
