# Safety Instruction Guide for TRIEBEL Neck Size Bushing 9.23mm 338 Lapua Magnum

## Introduction

Thank you for choosing the TRIEBEL Neck Size Bushing 9.23mm for your reloading needs. This guide provides essential safety instructions and information to ensure the safe and effective use of the product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the TRIEBEL Neck Size Bushing is used only with compatible Triebel neck sizing dies.
- Keep the product out of reach of children and vulnerable individuals.
- Always inspect the bushing for any damage or wear before use.
- Use the product only for its intended purpose to avoid hazards.
- Familiarize yourself with the safety guidelines and local regulations regarding reloading and ammunition.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling the bushing and reloading materials.
- Avoid contact with sharp edges or points on the bushing.
- Do not exceed the recommended specifications for diameter and caliber when using the bushing.
- Ensure your workspace is clean and free from distractions while reloading.
- Do not use the bushing if it shows signs of damage, such as cracks or deformation.
- Always follow the manufacturer's instructions for the neck sizing die in which the bushing is installed.

## Instructions for Installation and Usage

### • Installation:

1. Ensure the neck sizing die is clean and free of debris.
2. Carefully remove the existing bushing from the die.
3. Align the TRIEBEL Neck Size Bushing with the die and insert it securely.
4. Ensure that the bushing is seated properly and does not move.

### • Usage:

1. Set up your reloading press according to the manufacturer's instructions.
2. Insert the case to be resized into the die with the installed bushing.
3. Apply steady pressure to the press handle to resize the neck of the case.
4. Inspect the resized case for proper dimensions and quality.
5. Clean the bushing periodically to maintain optimal performance.

## Disposal Instructions

- Dispose of any damaged or worn bushings in accordance with local waste disposal regulations.
- Do not throw the bushing away with general household waste.
- If unsure about disposal methods, consult your local waste management authority for guidance.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the TRIEBEL Neck Size Bushing, please refer to the manufacturer's contact information provided with your product packaging.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective reloading experience with the TRIEBEL Neck Size Bushing 9.23mm 338 Lapua Magnum. Always prioritize safety and adhere to local regulations regarding reloading practices. Thank you for your attention to these important guidelines.
