TRIEBEL Neck Size Bushing Safety Instruction Guide

Introduction

Thank you for choosing the TRIEBEL Neck Size Bushing. This product is designed for use with Triebel neck sizing dies and is intended to help you achieve precise neck sizing for your ammunition. This guide provides important safety instructions and guidelines to ensure safe and effective use of the product.

General Safety Guidelines

- Always read and understand the safety instructions before using the product.
- Ensure that the bushing is compatible with your specific neck sizing die.
- Use this product only for its intended purpose.
- Keep the bushing out of reach of children and pets to prevent accidental injury.
- Regularly inspect the bushing for any signs of damage or wear. Do not use if damaged.
- Report any unsafe product conditions to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that you are wearing appropriate safety gear, such as safety glasses, when using the neck sizing die with the bushing.
- Do not exceed the recommended specifications for the bushing (Diameter inside: 9.80mm, Caliber: 9.3x62).
- Avoid using excessive force when installing or removing the bushing to prevent damage.
- Always follow the manufacturer's instructions for your neck sizing die when using the bushing.
- Do not modify the bushing in any way, as this may compromise its safety and effectiveness.

Instructions for Installation and Usage

1. Installation:

- Ensure that the neck sizing die is clean and free from debris before installation.
- Carefully insert the bushing into the neck sizing die, ensuring it is seated properly.
- Confirm that the bushing is secure and does not wobble or move.

2. Usage:

- Follow the specific instructions provided with your neck sizing die for operating procedures.
- Regularly check the bushing during use to ensure it remains securely in place.
- If you experience any resistance or difficulty while sizing, stop immediately and inspect the bushing and die.

3. PostUsage:

- After use, remove the bushing from the neck sizing die.
- Clean the bushing and die according to the manufacturer's recommendations.
- Store the bushing in a safe, dry place away from direct sunlight and moisture.

Disposal Instructions

- Dispose of the bushing in accordance with local regulations regarding metal products.
- Do not dispose of the bushing in regular household waste if it is damaged or considered hazardous.

- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or additional support, please reach out to the appropriate EUbased contact point provided by the manufacturer.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your TRIEBEL Neck Size Bushing. Thank you for prioritizing safety in your reloading practices.
