TRIEBEL Neck Size Bushing Safety Instructions

Introduction

Thank you for choosing the TRIEBEL Neck Size Bushing. This product is designed for use with Triebel neck sizing dies to ensure precise and safe reloading. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Always handle the neck size bushing with care to avoid injury.
- Ensure that the bushing is compatible with your neck sizing die before use.
- Store the bushing in a dry, secure location away from children and pets.
- Regularly inspect the bushing for any signs of wear or damage before each use.
- If you experience any issues during use, cease operation immediately and seek assistance.

Specific Safety Precautions for Use

- Use the bushing only for its intended purpose: neck sizing of cartridges.
- Do not exceed the recommended specifications provided for the bushing.
- Wear appropriate safety gear, such as safety glasses, when using reloading equipment.
- Keep hands and other body parts clear of moving parts during operation.
- Ensure that your work area is welllit and free from clutter to prevent accidents.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading press is turned off and unplugged (if applicable) before installation.
- Remove any existing bushing from the neck sizing die if necessary.
- Insert the TRIEBEL Neck Size Bushing into the neck sizing die, ensuring it fits securely.
- Tighten any locking mechanisms or screws to secure the bushing in place.

2. Usage:

- Prepare your cartridges according to standard reloading procedures.
- Insert the cartridge into the neck sizing die with the installed bushing.
- Operate the reloading press according to the manufacturer's instructions, applying consistent pressure.
- After sizing, remove the cartridge and inspect it for proper sizing.

Disposal Instructions

- Dispose of any damaged or worn bushings in accordance with local waste disposal regulations.
- Do not throw the bushing in regular household waste if it contains hazardous materials.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the TRIEBEL Neck Size Bushing, please refer to the manufacturer's support resources. Always ensure that you have the product details available for reference.

By following these safety instructions, you can ensure a safe and effective reloading experience with your TRIEBEL Neck Size Bushing. Thank you for your attention to safety!
