Safety Instruction Guide for TRIEBEL Neck Size Bushing 11.35mm 416 Barrett

Introduction

Thank you for choosing the TRIEBEL Neck Size Bushing for your reloading needs. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of the product. Please read this guide thoroughly before using the bushing.

General Safety Guidelines

- Ensure that the TRIEBEL Neck Size Bushing is compatible with your neck sizing die before use.
- Use the bushing only for its intended purpose as specified in this guide.
- Always wear appropriate safety gear, including safety glasses, when handling reloading components.
- Keep the product out of reach of children and unauthorized individuals.
- Regularly inspect the bushing for any signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations concerning ammunition reloading.

Specific Safety Precautions for Use

- Handle the bushing with care to avoid injury.
- Do not exceed the recommended specifications for your reloading setup.
- Ensure that the work area is clean and free from distractions when using the bushing.
- Avoid using the bushing in wet or damp conditions to prevent rust and degradation.
- Store the bushing in a cool, dry place when not in use.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials for the reloading process.
- Ensure that your reloading press is securely mounted and stable.

2. Installation:

- Remove the existing neck sizing bushing from your die.
- Carefully insert the TRIEBEL Neck Size Bushing into the die, ensuring it is seated properly.
- Tighten any locking mechanisms to secure the bushing in place.

3. Usage:

- Adjust your reloading press according to the specifications for the 416 Barrett caliber.
- Insert the brass case into the die and apply pressure using the reloading press.
- Check the neck size of the case after resizing to ensure it meets specifications.

4. PostUse:

- Remove the resized brass cases from the die.
- Clean the bushing after use to remove any residue or debris.
- Store the bushing in its original packaging or a designated storage area.

Disposal Instructions

- Dispose of any damaged or worn bushings in accordance with local regulations.
- Do not dispose of in regular household waste. Check with local authorities for proper disposal methods.
- Recycle packaging materials where possible.

Contact Information for Further Support

For any safety inquiries or concerns regarding the TRIEBEL Neck Size Bushing, please refer to your retailer or the manufacturer's support resources. Always ensure you have the product information available when seeking assistance.

Conclusion

By following these safety instructions and guidelines, you will help ensure the safe and effective use of the TRIEBEL Neck Size Bushing. Always prioritize safety and stay informed about best practices in reloading. Thank you for choosing TRIEBEL products.
