Safety Instruction Guide for TRIEBEL Neck Size Bushing 11.38mm 416 Barrett

Introduction

Thank you for choosing the TRIEBEL Neck Size Bushing 11.38mm designed for use with Triebel neck sizing dies. This guide provides important safety instructions and information to ensure the safe and effective use of this product. Please read this guide carefully before using the neck size bushing.

General Safety Guidelines

- Always ensure that the neck size bushing is compatible with your specific neck sizing die model.
- Inspect the neck size bushing for any signs of damage or wear before each use.
- Store the neck size bushing in a safe and dry location to prevent damage.
- Follow all manufacturer instructions for use and maintenance.
- Keep the product out of reach of children and vulnerable individuals.

Specific Safety Precautions for Use

- **Avoid contact with sharp edges:** The neck size bushing may have sharp edges that can cause cuts or injuries. Handle with care.
- **Use appropriate protective gear:** When using the neck size bushing, consider wearing safety glasses and gloves to protect against potential hazards.
- **Do not exceed recommended specifications:** Ensure that the neck size bushing is only used within its specified diameter and caliber limits to prevent malfunctions.
- **Check for proper installation:** Ensure that the neck size bushing is securely installed in the neck sizing die before use.
- **Be aware of potential hazards:** Improper use of the neck size bushing may lead to accidents or injuries. Always follow the instructions provided.

Instructions for Installation and Usage

1. Installation:

- Ensure that the neck sizing die is clean and free of debris.
- Align the neck size bushing with the opening of the neck sizing die.
- Gently insert the neck size bushing into the die until it is fully seated.
- Confirm that the bushing is securely in place before proceeding.

2. Usage:

- Follow the specific instructions provided with your neck sizing die for proper operation.
- Monitor the neck size bushing during use for any signs of wear or damage.
- If you notice any irregularities or performance issues, stop using the product immediately and inspect it for damage.

3. PostUse Care:

- Clean the neck size bushing after each use to prevent debris buildup.
- Store the neck size bushing in a protective case or designated storage area.

Disposal Instructions

- Dispose of the neck size bushing in accordance with local regulations for metal products.
- Do not dispose of the product in regular household waste. Check with local authorities for proper disposal methods.

Contact Information for Further Support

For safety inquiries or further assistance, please contact the manufacturer or your local distributor. Ensure you have the product details and any relevant information ready for a prompt response.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using the TRIEBEL Neck Size Bushing 11.38mm 416 Barrett.
