TRIEBEL NECK SIZE BUSHINGS Safety Instruction Guide

Introduction

Thank you for choosing the TRIEBEL Neck Size Bushing for your neck sizing needs. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to be used in conjunction with Triebel neck sizing dies.
- Always handle the neck size bushing with care to prevent injury.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the bushing for signs of wear or damage before each use. Do not use if damaged.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses, when using the neck size bushing.
- Ensure that the neck size bushing is installed correctly in the die before use.
- Do not exceed the recommended specifications for the bushing, including the maximum caliber usage.
- Avoid using excessive force when resizing to prevent damage to the bushing or the die.
- If you experience any unusual resistance or feel that the bushing is not functioning properly, stop use immediately and inspect the product.

Instructions for Installation and Usage

1. Installation:

- Ensure that the neck sizing die is clean and free from debris.
- Insert the TRIEBEL Neck Size Bushing (13.85mm) into the neck sizing die, ensuring it is seated properly.
- Secure the die according to the manufacturer's instructions, ensuring that the bushing is firmly in place.

2. Usage:

- Prepare the brass cases according to standard reloading practices.
- Insert the brass case into the neck sizing die with the installed bushing.
- Apply a steady, even pressure on the press handle to resize the case neck.
- After resizing, remove the case from the die and inspect it for proper sizing.

3. PostUsage:

- Clean the neck size bushing after each use to maintain its effectiveness and longevity.
- Store the bushing in a safe and dry location, away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of the TRIEBEL Neck Size Bushing in accordance with local regulations.
- Do not dispose of the bushing in regular household waste if it is damaged or contains hazardous materials.
- Consider recycling options available for metal components.

Contact Information for Further Support

For any questions or concerns regarding the TRIEBEL Neck Size Bushing, please refer to the contact information provided by the retailer or manufacturer.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your TRIEBEL Neck Size Bushing. Thank you for your attention to safety, and happy reloading!
