TRIEBEL Neck Size Bushing Safety Instructions

Introduction

Thank you for choosing the TRIEBEL Neck Size Bushing (13.88mm 50 Browning). This product is designed for use with Triebel neck sizing dies to ensure precision and consistency in your reloading process. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that you are familiar with the operation of reloading equipment before using the TRIEBEL Neck Size Bushing.
- Always follow the manufacturer's instructions for the neck sizing die with which this bushing will be used.
- Keep the bushing and all reloading components out of reach of children and pets.
- Inspect the bushing regularly for signs of wear or damage. Do not use if damaged.
- Use appropriate personal protective equipment (PPE) such as safety glasses when handling reloading equipment.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the bushing is compatible with your specific neck sizing die model.
- Do not exceed the recommended specifications for the bushing to avoid potential hazards.
- Handle the bushing with care to prevent injury from sharp edges.
- Do not modify or alter the bushing in any way, as this can compromise safety and performance.
- Always work in a wellventilated area when reloading ammunition.
- Store the bushing in a dry, cool place to prevent corrosion or damage.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and materials for reloading.
- Ensure your workspace is clean and organized.

2. Installation

- Remove the existing bushing from your neck sizing die if applicable.
- Carefully insert the TRIEBEL Neck Size Bushing into the neck sizing die.
- Ensure that the bushing fits snugly and securely.

3. Usage

- Follow the instructions provided with your neck sizing die for proper use.
- Monitor the bushing during use for any signs of wear or malfunction.
- After completing your reloading process, remove the bushing and clean it according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of the TRIEBEL Neck Size Bushing in accordance with local regulations.
- Do not dispose of the bushing in regular household waste if it shows signs of wear or damage.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any inquiries or concerns regarding the TRIEBEL Neck Size Bushing, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's website for additional resources.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our priorities.
