Safety Instruction Guide for TRIEBEL Neck Size Bushing 13.93mm 50 Browning

Introduction

Thank you for choosing the TRIEBEL Neck Size Bushing, designed for use with Triebel neck sizing dies. This guide provides essential safety instructions and guidelines to ensure safe handling, installation, and usage of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the neck size bushing is compatible with your specific Triebel neck sizing die.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the bushing for any damage or defects before use. Do not use if damaged.
- Use the product only for its intended purpose as specified in this guide.
- Follow all local laws and regulations regarding the use of reloading equipment.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves while handling the bushing.
- Ensure that the workspace is clean, dry, and welllit to prevent accidents.
- Do not exceed the recommended specifications for the neck size bushing to avoid malfunctions.
- Be cautious of sharp edges that may be present on the bushing.
- Avoid using the bushing with any incompatible materials or components.

Instructions for Installation and Usage

1. Installation:

- Ensure that the neck sizing die is properly secured in your reloading press.
- Carefully remove the existing bushing from the die, if applicable.
- Align the TRIEBEL Neck Size Bushing with the die and gently press it into place until it is securely fitted.
- Check for proper alignment and ensure that the bushing is firmly seated.

2. Usage:

- Follow the manufacturer's instructions for the neck sizing die to ensure proper operation.
- Monitor the performance of the bushing during use. If you notice any unusual behavior or performance issues, stop using the product immediately.
- Clean the bushing regularly to maintain optimal performance and longevity.

Disposal Instructions

- Dispose of the product in accordance with local waste disposal regulations.
- Do not dispose of the bushing in household waste if it is damaged or considered hazardous.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any inquiries regarding product safety or assistance, please refer to the contact details provided by the manufacturer or your point of purchase.

By following these safety instructions, you can ensure a safe and effective experience with your TRIEBEL Neck Size Bushing. Always prioritize safety and consult professionals if you have any questions or concerns regarding the use of this product.
