# TRIEBEL Neck Size Bushing Safety Instructions

## Introduction

Thank you for choosing the TRIEBEL Neck Size Bushing. This product is designed for use with Triebel neck sizing dies. To ensure your safety and the effective use of this product, please read and follow these safety guidelines carefully.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified by the manufacturer.
- Inspect the neck size bushing before each use for any signs of damage or wear. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Always follow the manufacturer's instructions when using this product.
- In case of an accident or injury, report it to the appropriate authorities and seek medical assistance if necessary.

## Specific Safety Precautions for Use

- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling the bushing.
- Avoid using excessive force when installing or removing the bushing to prevent damage or injury.
- Ensure that the bushing is properly seated in the die before use to avoid malfunctions.
- Store the bushing in a dry, secure location when not in use to prevent accidental damage or injury.

## Instructions for Installation and Usage

1. **Preparation:** Ensure that your work area is clean and free from obstructions. Gather all necessary tools and equipment.
2. **Installation:**
  - Remove any existing bushing from the neck sizing die.
  - Align the TRIEBEL Neck Size Bushing with the die opening.
  - Gently press the bushing into the die until it is fully seated.
  - Check that the bushing is securely in place before proceeding.
3. **Usage:**
  - Follow the specific instructions for your neck sizing die to ensure proper operation.
  - Monitor the bushing during use for any signs of wear or damage.
  - If you notice any irregularities, stop using the product immediately and inspect it.
4. **Removal:**
  - To remove the bushing, gently pull it out from the die using appropriate tools, if necessary.
  - Inspect the bushing for any signs of wear or damage before storing.

## Disposal Instructions

- Dispose of the TRIEBEL Neck Size Bushing according to local regulations.
- If the bushing is damaged or no longer usable, ensure that it is disposed of in a manner that prevents harm to the environment or public safety.

## Contact Information for Further Support

For any inquiries regarding safety or product support, please consult the manufacturer's website or contact your local distributor.

By following these safety instructions, you can ensure a safe and effective experience with your TRIEBEL Neck

Size Bushing. Thank you for your attention to safety!
