# TRIEBEL Neck Size Bushing Safety Instruction Guide

## Introduction

Thank you for choosing the TRIEBEL Neck Size Bushing. This guide provides essential safety instructions and usage guidelines to ensure safe and effective use of the product. Please read this manual carefully before using the bushing.

## General Safety Guidelines

- Ensure the bushing is used only with compatible Triebel neck sizing dies.
- Regularly inspect the bushing for any signs of wear or damage before each use.
- Follow all instructions provided in the product specifications to avoid hazards.
- Keep the bushing out of reach of children and vulnerable individuals.
- If you notice any defects or malfunctions, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using the neck size bushing.
- Do not exceed the specified caliber and diameter limits when using the bushing.
- Ensure that the bushing is securely attached to the die before use to prevent accidents.
- Avoid using excessive force during operation to prevent damage to the bushing or the die.
- Store the bushing in a dry place away from direct sunlight and moisture to maintain its integrity.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the die is clean and free from debris.
- Align the TRIEBEL Neck Size Bushing with the die.
- Gently push the bushing into the die until it is fully seated.
- Check that the bushing is secure and properly aligned.

### 2. Usage:

- Follow the manufacturer's instructions for operating the neck sizing die.
- Monitor the operation closely to ensure the bushing is functioning correctly.
- If you experience resistance or unusual sounds during operation, stop immediately and inspect the bushing.

## Disposal Instructions

- Dispose of the TRIEBEL Neck Size Bushing in accordance with local regulations.
- Do not dispose of the bushing in regular household waste.
- Consider recycling options if available in your area.

## Contact Information for Further Support

For any inquiries regarding safety, usage, or product issues, please refer to the EUbased contact point provided with your product packaging or documentation.

By adhering to these safety instructions, you can ensure a safe and effective experience with your TRIEBEL Neck

Size Bushing. Always prioritize safety and report any unsafe products or incidents to the appropriate authorities.
