TRIEBEL Neck Size Bushing Safety Instruction Guide

Introduction

Thank you for choosing the TRIEBEL Neck Size Bushing 10.25mm 375 Swiss P. This guide provides essential safety instructions and guidelines to ensure the safe use of the product. Please read this document carefully before using the bushing.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this guide.
- Always inspect the bushing for damage or wear before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Always follow the manufacturer's instructions for installation and usage.
- Report any unsafe product conditions or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Potential hazards include improper installation, which may lead to malfunction or injury.
- Ensure that the bushing is compatible with your specific neck sizing die.

- **Avoiding Hazards:**

- Always use appropriate tools and protective equipment when installing the bushing.
- Do not exceed the specified caliber and diameter limits when using the bushing.
- Avoid using the bushing in extreme temperatures or conditions that may compromise its integrity.

- **AgeSpecific Warnings:**

- This product is not intended for use by children. Ensure adult supervision when handling.

Instructions for Installation and Usage

- **Installation Steps:**

1. Ensure the workspace is clean and free of obstructions.
2. Gather all necessary tools and equipment for installation.
3. Carefully remove the bushing from its packaging.
4. Inspect the bushing for any visible defects.
5. Align the bushing with the neck sizing die, ensuring a snug fit.
6. Secure the bushing according to the manufacturer's specifications.

- **Usage Steps:**

1. Before use, doublecheck that the bushing is properly installed.
2. Follow the specific instructions for your neck sizing die.
3. Monitor the bushing during use for any signs of wear or malfunction.
4. If any issues arise, cease use immediately and inspect the bushing.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the bushing in regular household waste.
- If necessary, contact your local waste management service for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the TRIEBEL Neck Size Bushing, please refer to the manufacturer's website or contact their customer support for assistance.

Thank you for your attention to these safety instructions. Your safety is our priority!
